生命之源

加力牌 特效 珊瑚钙

加拿大卫生部认证号: NPN 80007928

给细胞运送养分, 帮助体内排毒
强健骨骼牙齿, 维持脏器健康
促进儿童发育, 有助青少年成长

以离子状态存在, 不需胃酸消化, 立即被人体吸收
直接进入血液, 吸收率高达 90%以上, 效果极好

含丰富钙质、适量的镁和 70 多种矿物质及微量元素

活性极高, 快速有效, 工艺先进, 质量最好!

适应范围:

骨质疏松、儿童补钙、痛风、关节炎、湿疹、胆结石、肾结石、慢性疲劳、消化不良、狼疮、疝气。

钙是人体中分布最广泛的矿物质, 是人体内上百个生化反应的重要因子。几乎所有的生理功能都和钙有关。钙主要的生理功能有: 给细胞运送养分; 参与所有其它维生素与矿物质的工作; 传送生物电子脉冲至脑部, 使肌肉进行应有的动作 (包括心脏、肺等器官); 调节体内酸碱平衡; 参与排出体内毒素和过多的水分; 参与荷尔蒙制造、细胞分裂和 DNA 复制等。可见钙对于维持青春健康的身体非常重要, 缺少钙会令身体提早老化。

人体自身无法制造钙, 如果没有摄取足够的钙来供应这许多必须进行的工作, 人体就会释放出主要储存于骨骼和柔软组织中的钙, 以供身体运作需要, 久而久之, 就会产生许多疾病。

儿童补钙: 加力牌特效珊瑚钙选用顶级原料, 采用最先进工艺加工, 活性极高, 质量最好, 加拿大卫生部 NPN 认证号 80007928, 尤其适合儿童补钙, 有助于骨骼和牙齿的健康发育。

加力牌特效珊瑚钙取自最珍贵的地中海石化珊瑚钙, 是无数珊瑚虫经世代代的分泌, 累积形成的神奇天然有机矿物质, 它是一种生理活化钙质, 由活珊瑚经过风化与自然分解而成的, 它含有丰富的钙质、适量的镁、70 多种矿物质和微量元素, 还有锌、铁、钾、锰和硒等都是离子状态存在。

中老年人补钙: 普通钙质补充品被人体吸收率为 5-20%, 要经过大约 20 小时的胃酸消化才可被吸收。奶制品中的乳酸钙最多 30% 被吸收。而加力牌特效珊瑚钙的钙质和其他矿物质经过了活珊瑚的消化吸收, 都是以离子状态存在, 不需要再经过胃酸消化, 就能立即被人体吸收, 直接进入血液中, 吸收率可高达 90% 以上, 特别适合胃酸量和消化能力都有限的中老年人。

加力牌特效珊瑚钙中含有的超过 70 种的矿物质非常特殊, 其比率和人体内的平衡极为相似, 并且以完整的生化吸收状态存在, 能充分被人体吸收, 无副作用, 孕妇产妇皆可使用。

注意事项:

- 切勿与“四环素”等抗生素一起服用, 若必要时, 必须至少隔开二小时以上
- 避免与有高单位铁质的保健食品一起服用, 因为铁会阻断人体内钙质的吸收

规格: 每瓶 100 粒装。**用法用量:** 4-8 岁儿童, 9-18 岁青少年和成人服用, 每日两次, 每次一粒, 饭后服用。

Jerry Coral Calcium

In the epicontinental sea, the multi-colored, exquisitely modeled, peerless coral is the mysterious natural matter formed by innumerable coral insects after generations of secretion and accumulation. It is usually named "the epicontinental sea-birdnest" because it richly contains special calcareous and more than 70 kinds of mineral substances and other trace elements, especially magnesium, zinc, iron, potassium, manganese and selenium.

This product is licensed natural health product by Health Canada. **The NPN is 80007928.**

 Jerry Coral Calcium, withdrawn from the precious Mediterranean Sea coral, is physiological activation calcium that is easily to be absorbed by humans. Because it is rich in mineral substances and trace elements, coral calcium surpasses other calcium sources to become the first choice among calcium sources.

A Medical Department investigation demonstrates that the calcium intake by an average citizen is only 50% of the standard quantity. Calcium deficiency is now a global health problem.

Principal effects:

Children and adolescents: Children and adolescents must have sufficient calcium supplements to guarantee their proper growth. Calcium deficiency can cause growth pains, poor concentration, susceptibility to allergies, cold, drowsiness, fainting, etc. Jerry Coral Calcium helps in development and maintenance of bones and teeth, especially in childhood, adolescence and young adulthood.

Jerry Coral Calcium has more than 90% absorption rate, much better than regular calcium.

Middle-aged and elderly persons: Calcareous diminishes rapidly with aging. If no calcium supplement is added, symptoms such as osteoporosis, arthritis and easy bone fracture will arise. With decrease of blood calcium levels health problem will increase.

Women of all ages: Because women differ from the men in physiological functions, like the birth, nursing, menopause endocrine system changes and so on, women need "calcium supplements for life " in order to maintain tall and straight carriage, a healthy mind and body.

Content: 100 capsules per bottle.

Ingredients: 500 mg calcium per capsule

Use suggested: Children (4-8years), adolescents (9-18years) and adults. Take 1 capsule 2 times per day,
